Ird/djq 00513424001 GVB ESCIF 2008

Report of the statutory auditors
on the limited statutory examination
to the Assembly of Delegates of
European Spinal Cord Injury Federation ESCIF
Nottwil

As statutory auditors, we have examined the financial statements of European Spinal Cord Injury Federation ESCIF, which comprise the balance sheet and income statement, for the year ended 31 December 2008.

These financial statements are the responsibility of the Executive Committee. Our responsibility is to perform a limited statutory examination on these financial statements. We confirm that we meet the licensing and independence requirements as stipulated by Swiss law.

We conducted our examination in accordance with the Swiss Standard on Limited Statutory Examination. This standard requires that we plan and perform a limited statutory examination to identify material misstatements in the financial statements. A limited statutory examination consists primarily of inquiries of association personnel and analytical procedures as well as detailed tests of association documents as considered appropriate in the circumstances. However, the testing of the operational processes and the internal control system, as well as inquiries and further testing procedures to detect fraud or other legal violations, are not within the scope of this examination.

Based on our limited statutory examination, nothing has come to our attention that causes us to believe that the financial statements and the proposed appropriation of available earnings do not comply with Swiss law and the association's articles of incorporation.
