

CZECH PARAPLEGIC ASSOCIATION - CZEPA

SOCIAL WELFARE SYSTEM

INSURENCE SYSTEM

- the conditions are levies/the tax is payable to the system
- after one year of sickness SCI patients are transfer to disability pension
- to get disability pension depends on health check and financial contributions to the system. If SCI patients failed to comply with the condition of deductions, it may be recognized as invalid, but without disability pension
- SCI patient with disability pension can work without limitation of earnings

SOCIAL BENEFITS FOR PEOPLE WITH DISABILITIES (SCI)

- Benefits to mobility
 - for transfer (21EUR/month)
- Benefits for barrier free treatment house or flat adjustment
- Benefits for buying a car
- (the amount of the contribution depend
- on earnings SCI patient and their families, max. 7.550 EUR
- Benefits on hand-driving and car modification (all amount covers state)

SOCIAL BENEFITS

- Benefits for care
- 4 stage of benefits – 4 financial amount of the contribution (is covered monthly 34 EUR ,169 EUR, 338 EUR, 507 EUR)
- CSI patients choose way of providing care – options are family, friends, registers providers of social services
- Problems: the highest amount cover just 4 hours care/day, social services are complicated to get in the evenings/nights/weekends; social services cover just „social’’ services like catheterization/stool needs to be covered with provider of health services)

HEALTH CARE IN THE HOME ENVIRONMENT

- Covered by health insurance
- Nurse at home (very limited range of operations and availability)
